Christmas in Pediatrics – Hospital of the West (2023 & 2024)

Organized by: Mr. Leonardo Girón Vega (“Totopostio”)

Copán Virus-Free Campaign (2024 & 2025)

Organized by: Systems Engineering Program – Copán Campus

Focused on technical support and community social outreach.

COURSES AND CERTIFICATIONS

- **Oracle + Alura Latam**

Oracle Next Education (ONE) Program

Completed: September 24, 2023

Total duration: 331 hours

- *Training areas:*
- *Personal development and soft skills*
- *Programming fundamentals*
- *Business agility and entrepreneurship*
- *Object-oriented Java*
- *Java with Spring Boot (G5)*

- **National Autonomous University of Honduras (UNAH)**

Computer Technical Support Workshop

Duration: 20 hours | Date: November 23, 2023

Technical Courses – INFOP

- **Residential Electrical Installations**

Completed: August 9, 2023 | 156 hours

- **Web Design with HTML5 and WordPress**

Completed: March 1, 2024 | 20 hours

- **Basic Accounting I for Non-Accountants**

Completed: March 15, 2024 | 20 hours

- **Positive Attitude with Emotional Intelligence**

Completed: November 24, 2023 | 20 hours

- **Teamwork**

Completed: September 6, 2024 | 20 hours

Financial Education Course

Completed: February 9, 2024 | 24 hours

Delivered by **USAID** through ADELSAR and the **International Labour Organization (ILO)**

- **Google Activate**

Introduction to Web Development I

Duration: 40 hours | Completed: May 20, 2023

Digitize Your Business with Google Tools

Completed: May 20, 2023

- **Cisco Networking Academy – through UNAH**
- ### **Networking Fundamentals**

Duration: 70 hours | Completed: June 6, 2025

Introduction to Data Science

Completed: October 4, 2023

Operating Systems Basics

Completed: August 27, 2023

- **Carlos Slim Foundation**

Introduction to In-Person Facilitation in Small Groups

Completed: January 28, 2024 | 49 hours

- **Taan Kanink Academy**

Advanced English Course – Completion Certificate

July 2019 | Advanced Level

- **Pearson – Taan Kanink Academy**

Pearson Side by Side English Course – Second Semester

Completed: November 1, 2019
